Vacation Bible School by Greg Nash

As you recall fond memories of your childhood, summertime probably stands out as being the most memorable. You might remember those great summer vacations taken as a family to special places. But if you are like me, you probably remember less about the actual destinations and more about the road trip; being stuck to that vinyl seat, between your big brothers, baking in the hot summer sun under the "Moon Roof" of the family's Vista Cruiser station wagon. You might recall memories of hanging out at the lake with friends, swimming and fishing all day. Or maybe what you remember most about those summer lake days is waking up the next day with the worst sunburn of your life.

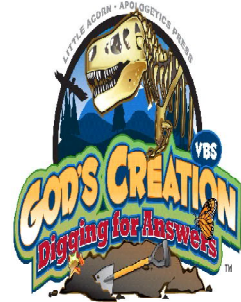

There is one memory of summer that, for the most part, everyone reading this article will share: Vacation Bible School. And I'll bet that this memory is a good one. You might not remember what the theme was for all the VBS's; you might not remember who your teacher was each year; you might not even remember what craft you made. But what you do remember is how much fun it was; how much you loved singing those VBS songs; how good those cookies and that ice cold lemon aid was. Maybe what stands out most to you is the summer that you were unable to attend VBS due to an illness or a family emergency instead of the summers that you did attend.

You see, VBS is just that special! It's a time to let your hair down (what hair you have left) and act like a kid. It's a time to learn about God's love for you and His desire to have a relationship with you.

During our VBS this week, we will take a close look at God's creation. We will see how only an omniscient creator could have made what we see around us and even you and me. We will have classes for all ages—even you old folks that are reading this article. And yes, we will have fun; we will sing those great VBS songs; we will eat cookies and drink lemon aid. We will do all those things that make for great memories.

Parents and Grandparents: Please consider giving your child or grandchildren the opportunity to have the same type memories that you still have all these years later. **Bring them to VBS!**
