New's from Forrest Chapman

January 30, 2008

Dear Brethren,

We are once again lending assistance to the little congregation in Freeport, Florida. This enables us to enjoy a little warmer climate at the same time. The congregation numbers sixteen but we have averaged in the twenties since being here. The desperately need a full time preacher. Support for one has been promised by a congregation in Montgomery whenever the right man comes along.

We are once again without a preacher in Hiawassee. The brethren has requested that I devote most of my time to assisting them if at all possible. The membership is down to fourteen and by spending more time with them, perhaps we can reach some in the community. Please pray for this work.

I still have some commitments for the year but will try to keep others appointments to a minimum. The church in Lavonia continues to show progress and will have "Open House" for their new building on April 20th. I am scheduled to speak at that time. Your support of me helped to establish this congregation and its growth.

We continue to be humbly grateful for your support. The Lord has blessed us through your kindness and generosity much more than we deserve. We continue to pray for you in your efforts to advance the growth of His Kingdom.

In Him, Forrest Chapman

Order of Worship for February

Elders Suggestion: To attain a higher level of dignity, we would like to suggest that our men wear coats and ties while serving the congregation. Please consider this suggestion seriously. Your understanding and cooperation will be appreciated.
